

Product Specification

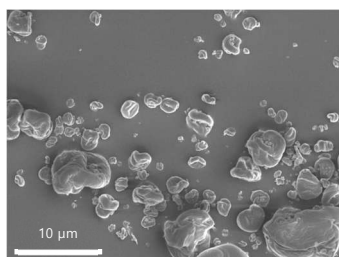

Reviewed on Nov.26.2025

Information

Product name	GreenNet Binder Li-CNF
Product description	Spay dried lithiated cellulose nanofiber
CAS No.	Cellulose (9004-34-6) (Manufactured nanofibrillar form)
EC No.	Cellulose (232-674-9)

Specification

Appearance	White powder, Odorless
Surface property	Hydrophilic
Moisture contents	6 %
Particle size (Dv50)	5.51 μm
pH	pH 6.81
